Manhattan Bible College, successor to the Christian Workers' College and Eugene Bible University, was originally founded in Manhattan in 1927. This marks the twenty-fourth year of successful endeavor in the teaching and application of the New Testament. The college has graduated 187 students, thoroughly furnished unto good works. This June, twelve more students will complete their training here. Seven of this number are candidates for the A. B. degree. The Alumni, Officers, Faculty and Students are justifiably proud of the distinctive progress made by the college during those years when depression, war and unsettled conditions rendered each new step increasingly difficult. While as a fully accredited Bible College MBC stands triumphantly upon herown merits, proclaiming the Good News, she earnestly solicits the prayers and the material aid of all those who love the name Jesus.

First Church of El Dorado is one of the historical Churches of Kansas. It celebrates its 76th year in March of 1951. The Church supports as its evangelist in Lotumbe, Africa, Miss Ruth Musgrave. Several young men from the church are in training at Phillips University and M. B. C. Others expect to follow these into full-time service.

The minister, Clayton Hildebrand, a graduate of M. B. C., class of '32, is one "thoroughly furnished unto good works." This is attested by the report of 81 additions in 1950, a resident membership of 916, Bible School enrollment of 580, and youth group membership of 110.

Compliments CHRISTIAN BOOK STORE Aggieville First Church of Marysville is another of the outstanding churches of Kansas served by an M. B. C. graduate. Clifford Hauxwell, who is now in his fourth year of ministering to the Marysville Church, graduated in the class of 1947. During 1950 there were 78 additions to the church, 59 of which were by baptism and 9 by transfer. This brings the total of additions to 117 for the past three years. Of these 101 were by baptism. Over\$1300.00 dollars was given to missions alone during 1950. The Church augments the summer activity of D. V. B. S. with a year-round youth program that includes three youth groups which meet on Sunday Evenings.

The Marysville Church has sent several young people out into full-time Christian service. Among them is Kent Bates who, with his wife, is now serving as a living link missionary for the Marysville Churchin India. Another young lady is planning to begin nurses training soon in preparation for becoming a medical

missionary.

## Epsilon Jan Alpha

Epsilon Tau Alpha is the men's social fraternity on the campus. Organized 1940 for the purpose of enriching the intellectual and spiritual intercourse of the male students, it has grown steadily in membership and achievements. ETA each year sponsors the yearbook,

Christmas party for the college. The Greek letters are symbols of HOPE, HONOR, and TRUTH. During this school year the ETA has sensed a new vigor and life with an increased membership. ETA holds an important place in the life of the school, providing an attitude of unity and fellowship for the men of MBC

Mr. and Mrs. Kent Bates, graduates of MBC, now serving on the mission field in Jhansi, India.

Freddy Joseph, native student of the Jhansi Mission, is being trained by Bates' for evangelistic work among his own people. ABX helps to support the schooling of Freddy.

Alpha Beta Chi are the Greek letters symbolic of "ambassadors for Christ the King." It is primarily a missionary group. Projects of the ABX include a Friday evening service for the folks at the IOOF old folks home and a living link missionary, Freddy Joseph, in India. Leonard Morrison, President, Harriet Irwin, Vice-President, Rosie Keck, Secretary-Treasurer have been at the helm of the ABX this year. The highlight of the year was the Sacrificial Banquet centered around the mission work in the Belgian Congo. ABX now has several former members serving on the foreigh fields.

# Something New

At right is pictured the nursery project that has recently been undertaken by the Sundoulai. The children may be left in the nursery while the parents attend the Wednesday evening chapel services.

#### Sundoulai

Sundoulai is the women's counterart to the men's ETA. It includes all the women of the student body and the faculty wives. Sundoulai affords excellent opportunities for training the women in their roles as minister's wives. Officers for this year include President, Marilyn Forbeck, Vice-President, Joyce Davis, Sec.-Treasurer, Barb Tarvin,

Student Council Rep., Martha Amlong, Reporter, Carol Shubert. Mrs. Johnson was this year's sponsor. Because Davis and Forbeck were not in school second semester an election was held mid-term and Sarah Daetwiler was elected as the new President with Martha Burton taking over as Vice-President.

## Christian Veterans' League

The Christian Veterans' League was formed shortly after the veterans of World War II began to take advantage of the G.I. Bill. Its objective is to promote Christian fellowship and development among students with a common military interest and backgroung. The League has been very constructive in sponsoring many worthwhile projects about the school, including a bulletin board for the front of the school, a map of the U. S. showing where the MBC grads are serving, and the prayer room of the school. Pictured here are a few of these projects.
